Financial questions about the business

Guidance for the intermediary

Is this an application form?

This isn't an application form. We only accept online applications and we don't need a copy of this form. This form is only intended to help you capture the information our online system will ask for and we'll base our decision on the information entered into it. You'll need to faithfully transfer the answers your client provides on this form into our online system.

Please be aware that our online system generates questions based on your client's age, sex, medical history and covers applied for, so the online questions may differ from those on this form and you may need to call your client for more information.

Guidance for the cover owner

Is this an application form?

This isn't an application form. We only accept online applications. Your financial adviser will transfer the information you provide on this form into our online application system. Aviva Protection UK Limited won't receive a copy of this form and we'll base our decision on the answers your adviser enters into our online system.

Once your cover starts, we'll send you a policy pack, including a copy of the application details we received. Please check the application details carefully and inform us of any errors or omissions – it's your responsibility to make sure they are correct. Please be aware that any misleading, inaccurate or incomplete answers may lead to your policy being cancelled, or a future claim being reduced or rejected. It's important that you check these details carefully.

What happens if the answers aren't honest, accurate and complete?

We use the answers you provide to assess the cover we can offer you. It's important that our assessment is accurate and it's your responsibility to make sure that the information we use is honest, accurate and complete, so please take care when answering each question and remember to check them carefully.

Please note: If you require personal, family or personal mortgage protection, you'll need to apply for a YourLife Plan (our personal protection range). You won't need to complete this form if you seek personal financial protection as this set of questions is for business protection cases only.

Aviva Privacy Notice

The Personal information Aviva collects about you, which includes sensitive information such as your health and medical history, may be disclosed to carefully selected third parties in order for us to provide your insurance and administer your policy. These third parties may include:

- Aviva Group companies: Aviva Protection UK Limited operates in the UK, Channel Islands, Isle of Man and Gibraltar
- Our reinsurers (a list of these reinsurers can be provided on request)
- Our external third party service providers (including medical screening service providers)
- Your financial adviser
- Your own doctor and other medical consultants
- Legal and regulatory bodies
- Law enforcement and fraud prevention agencies, and
- Other insurance companies or organisations

Aviva will never use your information for marketing purposes without your express permission. Aviva may need to apply for a report from any doctor you've been seeing and needs your permission to do this. The report may include information about illness or injuries you've suffered and can be sent by post or electronically using secure software.

A medical report helps Aviva to make a decision about your application and terms of your insurance, and monitor that the information you gave was accurate. This is because incorrect or misleading information could lead to the insurance being cancelled from the start, or risk a future claim being rejected or benefit being reduced.

Aviva will capture your consent in a legally valid and binding way when you confirm your selections. Confirmation of your consent will be emailed to you when you submit your application, including further information about your rights.

In connection with your application for insurance, Aviva will use an automated underwriting process to screen against pre-existing medical conditions. The system will use information you provide relating to the medical history and health of you, other people insured under the policy [and family medical history] to determine whether we are able to offer you an insurance policy and on what terms.

You have the right not to be subject to a decision which is based solely on automated processing, to express your point of view and contest the automated decision. You do not have to take part in this underwriting process, but if you don't Aviva won't be able to provide you with an insurance policy. If you do not wish to be subject to Aviva's automated decision making process we will be unable to continue with this application.

Please read our **privacy policy** (protection.aviva.com/privacy-policy) for further details about how we use your personal information and automated decision-making tools.
