

Deed of Appointment/ Retirement of Trustees

WARNING: This is a specimen document. Before you complete it and it is executed, we strongly recommend that you obtain independent legal and tax advice on whether this document is appropriate for your needs and circumstances and on the consequences (including any tax consequences) of signing it. Aviva Protection UK Limited is not able to advise you in this regard and does not accept any liability for the effect or consequences (including any tax consequences) of using this document.

This document is provided for use with Aviva Protection UK Limited specimen trust documents and those originally provided by us under our former name AIG Life Limited. The document is to be used to enable Additional Trustees to be appointed and for Trustees to retire (or be removed).

Please read:

The Trust will have appointed the Initial Trustees and this will usually be the Settlor and one other.

This specimen document enables: (a) a Trustee to retire as a Trustee of the Trust; or (b) the Settlor during his or her lifetime (and then the remaining Trustees) to appoint New Trustees in the event of the death or retirement of a Trustee or if there is a need for Additional Trustees to be added.

On the death of a Trustee, the trust property automatically vests in the surviving Trustee(s). Aviva Protection UK Limited must be notified of the death of any Trustee.

All Aviva Protection UK Limited trusts, and those originally provided by us under our former name AIG Life Limited, must always have a minimum of two trustees and it is recommended (but not mandatory) that at least two additional trustees are appointed.

Any person appointed as a Trustee must be 18 years or over.
